Contributions and Charges 2024

Dear Parents/Guardians,

Our school contributions and charges for 2024 are detailed below. Collection of these will not be required until 2024.

CONTRIBUTIONS:

In accordance with the Department of Education Contributions, Charges and Fees Policy 2008, schools can request up to a maximum contribution of \$60.00 for years K-6.

Your contribution is 'voluntary'; however, the funds are used towards the cost of materials, services and facilities used by students in the educational program.

Contributions collected at this school contribute to:

- Photocopying for class work
- Classroom resources, eg computer equipment, paper, files, reading books
- Physical education and art equipment

The School Council has endorsed the amount of Voluntary Contributions and your support in the prompt payment of these is greatly appreciated.

TOTAL Voluntary Contributions/Student

\$50.00

CHARGES: These are collected as and when activities are organised.

The term 'charges' refers to the provision of extra cost optional activities that are part of the education program and which contributions do not cover. All of the following are optional and if no payment is received, an educational activity with a similar outcome will be provided to that student.

The 2024 extra cost optional activities which have been approved by School Council are as follows. The estimated costs provided are at an upper limit and will not exceed this amount. If a particular event does not transpire within the school year no charges for that event will apply.

TOTAL MAXIMUM COST / STUDENT / YEAR

There are usually 2-3 Excursions each year. The maximum cost will be \$60.00 per student, for the year, but will likely be less depending on the actual cost of each. These could include Wildlife Park, Queens Park Theatre, SciTech, Community singing events, etc.
