

Welcome to Room 1 - 2026

Parent Information

This year in Gudiya 1 there are 22 students consisting of 9 Year 6 students and 13 Year 5 students.

All students are considered leaders and role models for all other students at Walkaway. They will be responsible for various jobs throughout the year.

Expectations in Room 1 are consistent with the school's values, **W**e are **R**esponsible, **A**lways show **R**espect, **L**earn to **A**chieve our **B**est and **K**een to co-operate. I encourage students to post their work on See Saw. This will enable all connected parents to see what we are doing in class!!!!

Classroom Information

My name is Mr Jeremy Buckner, however the students will call me "Mr B". I expect all students to give everything their best in line with the school's values.

All students are attempting to move around the "Beach Track" to earn prizes! Students move when they complete work to a high standard, do some homework or consistently show the school's values.

Library Day is Tuesday

Homework and Communication

Communication is vital and I can be contacted on **See Saw** and **e-mail**, Jeremy.buckner@education.wa.edu.au

I will respond as soon as possible as I may be teaching.

I will reward students for doing homework. I expect that students will read for enjoyment, practice their tables and their spelling words. If there are other commitments impacting homework, I totally understand and students also need some time to just be children!

I will be available some days after school and am always at school by 7:30am. If you need to see me, please arrange a time or message on See Saw.

Thank you for allowing me to be a part of your child's educational journey.
