

# WELCOME TO ROOM 1 2023

## PARENT INFORMATION

This year there are 16 students in Room 1.

Being made up of 6 Year Six students and 10 Year Five students.

The focus for the Senior Room at Walkaway Primary School is to be role models and sound leaders for the younger students in our school community. Expectations are high and expected from all students both in the room, in the school grounds and while out in public.

Along with being a senior student, all class members are expected to work to the best of their ability without interfering with other students' learning in the room.

I aim to use real life situations and experiences to assist the students to become creative and logical thinkers, who willingly adapt to a variety of situations.

Adaptation of these skills to each situation and being able to reflect on the process, enable life long skills to develop, ensuring each student's future success.

### Walkaway School Behaviour

#### Expectations

1. We are *Responsible*.
2. Always show *Respect*.
3. Learn, to *Achieve* our best.
4. Keen to *Co-operate*.

*Wrong is still Wrong even if  
everyone is doing it, right is still  
Right even if no one is doing it.*

## ROOM 1

### CLASS RULES

1. Be safe.
2. Use our manners  
at all times.
